DATE 01/13/81 a/o 01/13/81

TO: The Usual Trolls, Wizards and Black Magic Artists in this Field of Thought FROM: Mike O'Connell, 2nd Shift assistant semi-gonzovisor

DEPT: Data "lost in the shuffle" Processing SUBJECT: Annual Rite of the Circumnavigation of the Sun and Snow Prayer Meeting

THE LITHOPHORE CO., AUSTIN, TEXAS

We are initializing a new member into the order of the 25th on the night of the 24th of January, 1981. The IV will start at 2000 hours (8 pm for non-jargon types) in the party room of the Plantation North Apts. (Far West and Hart Lane - map to follow). Other events include the Mike O'Connell Acid Geriatric Rock n Roll Trivia Test; the W. I. "Big I" Shepperd Keg Chugging Contest and last but not least the New Milton Shepperd Memorial Talcum Powder Sneeze (formerly known as the California No-Smoking Nose Dusting Championship).

WHAT THE 25th GROUP WILL DO:

Drink - Fruity- type party PUNCH (caps intended) culled from a by-product recipe book of the electric acid kool and the gang test by a Centraol Amercian revolutionary masquerading as a bank VP in South Texas.

Bop of the Hops - As yet to be named gallons of Texas holy water (hopefully imported). Probably more than enough depending on number of contestants and weather conditions (meaning whether Ivan shows up early or super-early, after all this stuff needs to be tested by the master among us.).

Uppers, downer, laughers, and screamers - Coke (I wish for snow in Colo), 7, limes, etc. Coffee for 3rd Shift peoples trying to wake up and 4th floor peoples into the low end of the speed spectrum.

MUNCHIES - Who knows? Probably the Cocktail Hr. usuals - dips chips etc
Music - LIVE Band. No I don't know what they play. If we don't like them we will let them strt drinking to excess with the rest of us.
Tapes or radio or gossip on the breaks..

DOMINANCE AND SUBMISSION -

Upon attendance you must 1) Wear a hat, cap, scarf, helmet, yarmulke, or some other distinctive head covering worn as a symbol of office.
2) Bring \$1/hat(or person) to help out the band. #3) Bring another \$1 in case of emergency - such as everyone entering the keg chugging contest and we run out of beer at 2002. Then we will pass somebody's hat to take up an offering to the Snow Goddess and go out and get more of whatever (Remember the motto: Too much ain't enough!) If we don't need any \$\$\$\$\$ we will let you keep it to earn massive amounts of interest in your checking accounts once you re-deposit it?

DIRECTION: On ~~the~~ the 24th of January 1981 in the reasonably early evening you will arrange transportation to avail yourselves upon Loop 1 (MoPac). Somehow or the other get onto Far West Blvd. (If you go east on Far West from MoPac it will be far out!) Go about three blocks and hang a right on Hart Lane. Do another right into the first apartment complex you see on the right. You are now in the NW corner of the place. Work your way to the SE corner of the place. YOU ARE THERE - START PARTYING! P. S. Do not drive into the swimming pool or off the cliff by the party room, bad form and all that you know.

WORD FOR THE DAY : gerah /^ggir-ə / n. (Heb gerah, lit., grain): an ancient Hebrew unit of weight equal to 1/20 shekel. (Swear to God!)
