JULY 1982

SUMMER DRESSING SUGGESTIONS . . .

It is certainly true that clothes don't make the person, but first impressions are often lasting impressions. What we wear and how we maintain ourselves reflect the bank's image to our customers and to fellow employees. Therefore, it is important that we dress appropriately and neatly. Some helpful suggestions are:

Sundresses and tank tops are great for play in the sun, so save them until your work is done.

Great at the beach are sandals, barefeet.

But here at work, hose and socks can't be beat.

Shoulderless and backless is a way to show off that tan, but lets keep those garments for weekend plans.

Save the low cut necklines for another time, just remember whose image is on the line.

Your cooperation is needed and surely you see . . . a banker's image protected must be.

With little effort comes good grooming . . . making us all more comfortable and less assuming.

There's only one more thing we'd like you to do: Please wear a smile . . . it's becoming to YOU.

AUSTIN AQUA FESTIVAL . . . AUGUST 6 - AUGUST 15

Since its beginning in 1962, the Austin Aqua Festival has grown to be one of the five largest festivals in the nation and now includes 70 land, air and water events. Majority of these events will take place during the ten-day celebration (August 6 - August 15) and are designed to take advantage of, and promote the natural beauty of Austin and the Central Texas hill country.

Once again First City Bank is showing support through the sales of Skipper Pins. Skipper Pins will go on sale July 15th - August 6th. You will be able to purchase Skipper Pins from the Information Desk in the Lobby and East/West Tellers. The Skipper Pins cost only \$2 and can save you up to \$40 in free and discounted admission prices.

Austin Aqua Festival is Southwest's "biggest and best" festival around. Plan to attend . . . Festnights, parades, sporting events and other activities provide something for everyone!

BOBBIE COLLINS ASSUMES NEW DUTIES . . .

Bobbie Collins, Business Development Officer, has assumed new responsibilities in the Marketing Division. Bobbie will be coordinating a new program, to be launched later this month, geared towards welcoming newcomers into the Austin area and introducing them to First City banking services.

Bobbie will be located in the Marketing Division on the 10th floor and can be reached at extensions 4714 or 4716.

KNOW SOMEONE INTERESTING ? ? ?

Does someone in your department have a special talent or hobby, or make a contribution to Austin through volunteer work? Let us know about them so we can share their story with the rest of the bank. Please forward all comments or news items to the Marketing Department or call extension 4714.
