## Austin Adopt-A-School

This Fall kicks off First City's 4th year of involvement with the

Adopt-A-School Program and this should prove to be an extra special year for Adopt-A-School and First City with John Scurlock as this year's Chairman of Adopt-A-School.

As a result of First City's dedication to this worthwhile community effort and in recognition of excellence in the Adopt-A-School Program, we have been awarded the first "A+ Award" by the Austin Chamber of Commerce and the Austin Independent School District. First City has been recognized for the last three years for its "outstanding contribution and involvement" with our adopted schools. Of course, it's First City employees' dedication that has made this recognition possible.

Our adopted schools continue to be Casis and Zavala Elementary Schools and McCallum High School. Adopt-A-School is a community-wide effort to pair businesses, civic groups, churches, and neighborhood associations with one or more schools. This helps provide schools with a source of volunteers, funds, and other types of assistance.

## Downtown Volunteer Fair

By proclamation of the Mayor, Tuesday, September 23 will be Volunteer Connection Day. First City, along with K-98, Downtown Austin Partners, and the Watson-Casey Companies, will sponsor this year's event. The Volunteer Fair will be held on the 3rd level of First City Centre from 11:30 - 1:30 on Volunteer Connection Day.

Similar to last year's event, free hot dogs and cokes will be served; and while you munch, take a moment to visit with all or any of the more than 30 human service agency reps who will be on hand to answer your questions. Information concerning more than 200 additional agencies will be available as well.

Once you decide which agency you might want to help, contact the Volunteer Center at 451-6651. The Volunteer Center, Austin's Volunteer Connection, acts as a clearing network for over 200 Austin human service agencies and has hundreds of volunteer opportunities available through its skills bank.

The United Way Campaign kicks off here at First City next month. According to Co-chairpersons Wanda Burnette and Bryan Simmons, this year's campaign can be the most successful yet. Assisting Wanda and Bryan in the early stages of the campaign are Glenda Lane and Bea Good. Meetings are just around the corner, scheduled for September 23 - 25 in the Ninth Floor Training Room in First City Centre. There are a number of convenient meeting times:

Tuesday, September 23	10:30 - 11:00
	1:30 - 2:00
	3:30 - 4:00
Wednesday, September 24	10:30 - 11:00
	1:30 - 2:00
	3:30 - 4:00
Thursday, September 25	3:30 - 4:00

Last year was a banner year for First City employee participation and with your help we can make it happen again this year.

## D I A M O N D W A L K

The First Annual Diamond Walk for the Juvenile Diabetes Foundation is set for Saturday, October 4. First City is staffing the registration and checkpoints around the Walk with 35 employees. It's a great opportunity to get involved with a walk from the administrative side! You won't be walking; you'll be assisting walkers through registration and at checkpoints around the 7-kilometer course on Town Lake. An orientation for volunteers will be held Monday, September 29, at Jack Brown Cleaners on Northland at 7 p.m. Contact Nancy Cash, ext. 4793, Peggy Foreman, ext. 4727 or Martha Mann, ext. 4753 by September 12 to sign up.

Drop by the New Accounts area in the next couple of weeks and give a special "pat on the back" to our New Accounts/CD staff. Beginning August 25 and continuing through September 5, Alice Cuellar, supervisor of the New Accounts/CD area and representatives Andrea French, Anne Greenhill, Kelley Costin, Tracey Thomas, Karen Chazen, Cheryl Lamb, Jean Evans, and Terri Silva will be handling a tremendous workload during "student rush." Cheryl Hunter, manager of the area, expects some 200 new accounts to be opened as the University of Texas begins its Fall Semester.

## COMMUNITY INVOLVEMENT COMMITTEE

Volunteer efforts through First City - Austin have undergone some reorganization, according to Bobbie Collins, Vice President and Community Involvement Coordinator. To consolidate all of our efforts under one umbrella the Community Involvement Committee has been formed. It will replace the Adopt-A-School Steering Committee. The committee is composed of representatives from each division who will help coordinate bank-sponsored special events and help keep bank employees informed about those events.

## Employee Referral Award Update

The Employee Referral Award program pays off for all employees no matter how long you've been with First City. This month, employee referral checks were awarded to three lucky employees. Elliott Dominguez, Work Leader in the Vault, joined First City in August, 1985. He received a \$300 award. Kent Ames, who also works in the Vault, but has been with the bank for only four months, received \$300 too! The final award of \$300 went to Nora Garza of ATM Services. Earn some extra spending money by participating in the Employee Referral Award Program--we need your support.
